

Donna-Maree – January 2017

Thank you so much to Martin and his awesome team who went above and beyond to help me with the purchase of a new bed today. I was in a dilemma and needed a bed by tonight for my Mums comfort as she has just come out of hospital. Martin went out of his way to assist me and his team was at my parents within half an hour of purchase to deliver and set up the bed. So nice to receive good old fashioned service from a family run business who really care.

Cathy – January 2017

We have never come across such a friendly run family business as this, from the moment we walked into their showroom we felt extremely welcomed and the service was first class and it continued right up to the gentlemen who delivered our bed suit. Would highly recommend this company for your bedding needs.

The service we have received at Martin Burns has been outstanding each and every time we have been in to purchase a bed or mattress, the staff are knowledgeable and helpful, nothing is too much trouble. I'm loving our new mattress so much it's the most comfortable thing I've ever slept on.
